### ORDIPAT, YOUR LEGAL ASSET

We help you protecting your trademarks on the Internet:

- **TMCH:** Ordipat is Trademark ClearingHouse Accredited. We can record your TM rights in the TMCH and protect them in the newgTLDs.
- **Backorders:** Ordipat monitor domain names that fall into the public domain for non-renewal by their former owner, and we re-register them for the benefit of your client
- **Audits:** We offer an analysis of the more relevant results given for a target term, identical or similar, in TLDs chosen by the customer (gTLDs, newgTLDs, ccTLDs).
- **Monitoring:** We can send you regular reports of new domain registrations and deletions on a target term, identical or similar.
- **Legal assistance:** We can assist you in domain name disputes [UDRP, URS, ADR policy, and litigation process, (complaint drafting, files monitoring and decision applying)].
- We can **negotiate, acquire** then **secure** cybersquatted domain names.
- We can set up with you a **managing strategy** of domain name portfolio, in agreement with Protection of Trademarks strategy, and we can help.
- **Information:** We keep you informed about what happens in the domain names area (Sunrises openings, change of rules etc...)
- **Training:** We organize tailored trainings for your teams.
